The board prefers the format of the former C.O.A. newsletter. We hope to have the first issue out by December. Mike will work on this.

more people are using the taxi tickets and Meals on wheels transportation. Patty said that, given the price of gas and increased use that the price has increased to \$1.00 for a ride to the Senior Center, and \$3.00 to all other locations.

Mike reported that the taxi ticket fund is \$2,000.00 in the red, but there is more money for tickets available from the extra fee attached to vehicle registration. The original allotment was \$6,000.00, but closer to \$10,000.00 is needed. This money comes from the transportation fund.

The Gilman Grange has donated \$500.00 towards the purchase of chairs for the Senior Center. Letters will be drafted to local Service organizations and to groups who use the center asking for additional contributions. The current chairs have been offered to all town departments with no takers. Do they go out to bid or to the dumpster. This was not resolved.
