Russ Dean confirmed that the three channels will be 13, 22, and 98 as confirmed by Comcast. 98 will be for public access. Government will remain 22, and education will be 13.

Jim Fellows recapped his trips to other communities. He went to Nashua, Goffstown, and Bedford. Also he was made aware Timberlane has an education channel.

The new set ups at EOC and Lincoln Street school were discussed.

The Town Manager discussed the EXTV resources, including the franchise fee revenue.

The committee entertained questions from Frank Ferraro and Renee O'Barton on different aspects of the new EXTV and how the channels would work.

The next meeting was scheduled for February 3rd, 2011 at 5:30 p.m. at a site to be determined.

Jim Fellows moved to adjourn. The meeting stood adjourned.
