Exeter Transportation Committee Special Meeting

Wednesday, 06/30/2010, 4:15 p.m.

Wheelwright Room, Exeter Town office, Front Street

The agenda and discussion for this meeting will involve a project and grant opportunity to develop an in-town local bus route connecting the various neighborhoods in town to other transportation systems.

The pre-application date deadline for the Community Planning Challenge & DOT Tiger II grant is July 26th. This grant would provide funding to plan routes, schedules, personnel and suitable equipment in term the vehicle size, seating, wheelchair accessibility and fuel-efficient power. More information about this grant is available online at grants.gov funding opportunity number FR-5415-N-12. Current service providers are encouraged to attend, as this grant would provide Exeter some traffic demand management.

Don Woodward, Chairman, Exeter Local Transportation Committee.
