

Public Notice  
Exeter Local Transportation Committee Meeting Agenda

July 14, 2010, 4:15p.m. at the Exeter town offices, Wheelwright Room

1. Senior & Handicapped Service Providers submit the first half of 2010 ridership data. A discussion about how to improve the reporting format particularly the rate of increased use to be included as part of a report to the Selectmen & Budget Recommendations Committee.
  
2. Discussion about the local transportation planning grant, ( TIGER II ) and to determine if the Local Business Community, Inns, B & Bs and new Hotels would be interested in contributing to a route that would allow Amtrak passengers/ visitors to Exeter's Downtown area. Exeter's "First Responders" would likely want Some input on any route near or through the downtown area to Prevent congestion along Emergency access corridors. Both of these items would eventually need to be addressed as the Planning grant application progresses.
  
3. Other Business & News
