PUBLIC HEARING:

1. Pursuant to NH RSA 36-A, the Exeter Conservation Commission will hold a public hearing to consider the use of Conservation Funds as authorized under RSA 36-A:4 and to apply toward purchase of property for conservation purposes. They will also consider recommending the Town's acceptance of ownership of the below described property and the use of Open Space bond funds to the Board of Selectmen as authorized by Town Meeting vote in March 2003 for this same purchase. It is the intention that should these funds be authorized, they would be combined with Federal and State grant monies and other privately raised funds to assist with the total purchase price. If needed, additional funding would need to be authorized by Town Meeting vote. The proposed conservation land includes 34 acres more or less, of land currently owned by Robert and Emma Elliott and is located adjacent to the Oaklands Town Forest at Tax Map Parcel #26-15.
