Exeter Conservation Commission

September 15, 2015

Site Walk

On September 15, 2015 the Conservation Commission conducted a site walk to inform the wetland application for the proposed development at 80 Epping Road. Members in attendance included Bill Campbell, Carlos Guindon, Cynthia Field, Pete Richardson and Ginny Raub. Also in attendance was John Mueller from Exeter Economic Development Commission, Robert Rick-Meyer from Planning Board, DL Wilson a resident of Exeter, Glenn Greenwood, acting Town Planner, Mike Garrepy of Tuck Realty and the walk was led by Jonathan Ring of Jones and Beach Engineering.

Following the walk the consensus was to wait until the regularly scheduled October meeting for additional discussion; no interim meeting. No discussion on walk or features of site.
