DATE: September 29, 2015  
TO: All interested parties  
FROM: Jennifer Mates, P.E., Assistant Town Engineer  
RE: Kingston Road Shoulder Widening  
Request for Qualifications  
Addendum #1

The Request for Qualifications (RFQ) for the **Town of Exeter, NH, Kingston Road Shoulder Widening project** shall be supplemented and/or amended as follows:

1. On Page 3, the fourth paragraph shall be replaced with the following paragraph:  
*The Town's expectation is that the project will be put out to bid in late 2016 or early 2017 for construction in 2017. The selected engineer will complete the design, approval, bidding process, and construction engineering to meet this schedule.*
2. There was an issue with the font/format of the TAP application that accompanied the RFQ on the Town's website. A PDF of the TAP application without attachments has been posted at: <http://exeternh.gov/bcc/kingston-road-shoulder-widening-rfq> The original application package has the attachments.
3. Attached to this addendum is the sign-in sheet for the non-mandatory pre-proposal meeting held on September 15, 2015.

Town of Exeter  
Pre-proposal Meeting  
Kingston Rd Shoulder Widening
