

Exeter Budget Recommendation Subcommittee

Human Services Budget Mtg.
Exeter Town Offices
October 19th, 2023
3:30 pm

Meeting began at 3:30 pm

Members Present: Christine Soutter-Subcommittee Chair, Liz Canada-Committee Member, Pam McElroy-Senior Executive Assistant, Town Manager's Office

The group discussed the 2024 requests for funding from the various local non-profit agencies. All funding requests came from agencies that provide human service needs such as food, shelter, medical and safety for those Exeter residents in need. Most requests were in line with previous requests and it was proposed that all agencies be funded at some amount.

The total proposed request for funding put forth by the Human Services Funding Committee for the 2024 budget is \$98,325, a slight decrease from last year. One previously funded agency did not apply this year.

Meeting was adjourned at 4:00 pm.

Respectfully submitted,

Christine J. Soutter
