SIDEWALK SIGN AND DISPLAY PERMIT APPLICATION

(WC-Waterfront Commercial and C-1 Central Area Downtown Commercial District ONLY)

Please complete this application, without omitting any information. The application must be complete in order for permit to be valid.

1. Permit is valid upon by approval by the Building Department.
2. Proof of insurance is required; such insurance must include a one-million dollar (\$1,000,000.) liability insurance policy naming the Town of Exeter, N.H. as a co-insured entity.
3. Only one (1) sandwich board sign per business use is permitted. These type of signs are only allowed in the WC-Waterfront Commercial and C-1, Central Area Commercial (Downtown) zoning districts as outlined in Section 502.a.(1.) of the Town's Ordinance (see reverse side).
4. In accordance with Section 502.2a. (3.) of the Town's Ordinance, this application shall specify the proposed location of the sign and include a dimensional drawing of the proposed sign depicting the design and construction materials (plastic and/or molded signs are not permitted).
5. Any sign that does not have a valid permit or is found not be in compliance with a previously issued permit will be removed by the Town.
