RE: Important Information—Price Changes

Dear Chairman and Members of the Board:

At Comcast, we are committed to constantly improving our customers' entertainment and communications experience and we continue to invest in making their services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting January 22, 2014, new prices will apply to select Video services and equipment as reflected in the enclosed notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to defray the rising costs of retransmitting broadcast television signals. In the past, a portion (but not all) of these costs were included within the basic service rate. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and we want to address these increases through a separate itemized charge so they are clear to the customer.*

We promise to continue to provide our customers with a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes and if I can be of any further assistance, please do not hesitate to contact me at 603.334.3603.

Sincerely,

Jay Somers

**If a customer was receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as January 19, 2014, the customer will not be affected by the Broadcast TV Fee during the applicable period.*

IMPORTANT PRICE ADJUSTMENT INFORMATION FOR Epping & Exeter, NH

Dear Valued Customer,

December 2013

At Comcast, we are committed to constantly improving your entertainment and communications experience, and we continue to invest in making your services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting **January 22, 2014**, new prices will apply to select Video and Internet services and equipment as reflected in this notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to defray the rising costs of retransmitting broadcast television signals. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and we want to address these more recent increases through a separate itemized charge so that they are clear to you.*

We promise to continue to provide you a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. Feel free to visit us at www.xfinity.com/questions or call us at 1-800-COMCAST. Thank you for choosing Comcast. We value you as a customer, and look forward to continuing to serve you.

* If you were receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as of January 19, 2014, you will not be affected by the Broadcast TV Fee during the applicable period.
