

Minutes ECPAC meeting October 25, 2021 8:00 pm Exeter Town Hall

Present at the meeting: Lew Hitzrot, Cliff Sinnott, Nick Devonshire, and Stephanie Marshall

- The meeting began with the approval of the minutes of the October 12 meeting
- There was a quick discussion evaluating the Community Power Panel discussion that had just concluded. All agreed that things went well. Bob Glowacky will send us an edited version of the event. The screening of the panel discussion and follow-up Q/A will occur on the evening of November 17.
- We agreed that it was important to produce a brochure explaining Community Power to the public that could be distributed at the town library, the Town Clerk's Office, and on community web sites. Lew and Stephanie will work together to finish the brochure and to establish a CP web page. Stephanie indicated that 350NH could also help in our efforts to reach out to the public. Lew will contact the Exeter News Letter concerning the press release and the letter to the editor.
- We agreed that we needed to know dates important to our time line:
 - When a completed EAP must be in the hands of the Select Board
 - The date of the town deliberative session
 - Date for March town vote

Stephanie will contact Russ Dean for information about this timeline.

- We established that we must have two public hearings to present the concept of Community Power to the community. Cliff indicated that those hearings could occur before completing our draft EAP. Best times for those hearings, late November, and early December. Cliff will check with Dave Sharples about announcing and holding those hearings.
- Although Cliff cannot be there in person, we chose Monday, November 8, for our next meeting. Time and location to be announced.
