**January 10, 2022, 6:00 PM Exeter Public Library**

**Members Present: Cliff Sinnott, Nick Devonshire, Stephanie Marshall, Lew Hitzrot**

- Minutes of the December 29, 2021, meeting were amended and approved as amended
- Bob Glowacky of Exeter TV had prepared a statement announcing the final draft of the Exeter Electric Aggregation Plan (EAP) to appear on the ECPAC website. The Committee discussed changes and additions to the statement that we will send to Bob.
- The Committee discussed strategies to reach out to the community to explain Community Power and Exeter's EAP. Stephanie will contact Riverwoods, Exeter Rotary, Exeter Rises and Exeter Democrats to determine if they are willing to host sessions either live or on Zoom at which a committee member will introduce and explain Community Power. These information sessions are to take place after the Town Deliberative Session on February 5.
- We agreed that it would be best if all committee members could attend the Deliberative Session. At the session, Cliff will speak in support of the warrant article and Stephanie will ask an acquaintance to speak in support as well
- Cliff will prepare a memo to the SB to explain the changes made to the initial draft of the EAP that were incorporated in the final draft approved by ECPAC on Dec. 29, 2021.
