February 22, 2022, 6:00 pm Exeter Public Library

Members Present: Lew Hitzrot, Stephanie Marshall, Cliff Sinnott, Nick Devonshire

- Motions were made to approve the minutes of the meetings of Jan 10, 2022, JAN. 24, 2022, and Feb. 7, 2022. All were approved unanimously.
- Some discussion occurred concerning the three informational sessions presented virtually over Zoom. While attendance was sparse several good questions came from attendees
- We agreed that no more effort was needed to use local newspapers to inform the community about Warrant Article #32. Stephanie has submitted a letter to the editor of the Exeter News Letter.
- Some time was devoted to a discussion of ECPAC's role after the March 8<sup>th</sup> vote on Article #32. Cliff cautioned that, if the Town votes to adopt the EAP, we need to continue our efforts to inform the Town of progress toward implementing Community Power and to make sure we give a realistic picture of that progress to avoid unreasonable expectations. Nick let us know that CPCNH is targeting April, 2023 for providing power procurement for towns opting to use their service.
- Date of next meeting: April 18, 2022
