**Exeter Conservation Commission and Planning Board
Joint Site Walk, 98 Linden Street
Site Plan Amendment for Revised Sewer Connection
Tax Map 104, Lot 71
July 9, 2019
4:30 pm**

Members In Attendance:

Conservation Commission: Todd Piskovitz, Sally Ward, Ginny Raub

Planning Board: Lang Plummer, Gwen English

Also Present: Kristen Murphy, Natural Resource Planner for the Town, the applicants representatives Jonathan Ring, Brad Jones, Brian Dube and others as indicated on the attached sign in sheet.

On July 9th the Conservation Commission and Planning Board conducted a site walk at the aforementioned property to review a proposal for after-the-fact site plan amendment and wetland conditional use permit for a revised sewer connection to the previously approved 98 Linden Street development. The site walk began at 4:35 pm. The group met at the end of Patricia Avenue. After a brief presentation from the applicant and their representatives, the group walked along the sewer right of way to view the cleared wetland buffer.

The walk concluded at 4:53 pm.

Kristen Murphy
Natural Resource Planner
