

## MINUTES Town of Exeter Energy Committee

Wednesday June 12 2019 at 3:30 pm. Town Office, Wheelwright Room, 10 Front Street

*Lew Hitzrot, Julie Gilman, Renay Allen, Robin Tyner, Jordan Dickenson, Amy Farnham.*

*Guest: Will Matlack*

### ONGOING BUSINESS:

Last month Minutes approved.

**EPA Portfolio Manager software.** Trisha Allen at DPW gave Renay Unitil bills for past year. Renay input into EPA software both elex and gas consumption by meter. Gave spreadsheet copies to Amy. Are holding on this project until we talk to facilities and DPW fixes water leaks.

**Drive Electric Week** event Sunday Sept. 15. (9am to noon). Jordan will lead “Sustainability Fair” portion in town hall, Renay will lead EV’s on outside. Work session to be held this summer. Application/s still not approved, moving slow in parks and rec. Group discussion on how to handle/invite candidates. Renay will draft an invite with specific parameters and get ok from group. Will ask Exeter TV to film.

**EV Charger** – Unitil reps met with Darren Winham re Level 3 off ramp stations via VW monies. Dual head in Exeter Hannaford parking lot? Currently one in York and Portland Hannaford. Renay will solicit three quotes: Chargepoint, EVLaunchPad, and ReVision. She will present to Select Board in August at start of budget process. Matching grant will be from OSI... late fall?

**LED streetlights** –LED video out to public 2 weeks ago. Link on Energy cmte webpage and Facebook. Project was waiting for Until/Affinity to finalize fuzzy inventory.

**Solar Array** – Long term discovery. Lew got GIS maps from RPC re 100 year floods. Will not affect lagoons. Julie will present on current small array buy-out at next meeting.
