

# HOME FIRE SAFETY CHECKLIST

**Help your parents check off the items on this list.**

- Install and maintain smoke alarms and fire extinguishers.
- Make and practice a family fire escape plan.
- Post emergency numbers near each phone.
- Hide matches and lighters out of children's sight and reach.
- Check electrical cords for fraying, cracks, and exposed wires, and replace any cords that are damaged.
- Do not overload outlets. Use multiple-plug power strips that have built-in circuit breakers and surge protectors.
- Do not run electrical cords underneath rugs.
- Install ground fault circuit interrupters in outlets near sink areas and outdoors.
- Unplug small appliances when not in use.
- Keep space heaters at least 3 feet away from anything that can catch fire.
- Turn off space heaters and blow out candles before leaving home or going to bed.
- Clear all exits of obstructions.
- Store cleaning products, aerosol cans, and flammable liquids away from sources of heat.
- Have the furnace inspected by a qualified technician every year.
- Change furnace filters frequently.
- Clean the lint screen on the clothes dryer before each use.
