RE: Demolition request, 12 Center Street

Dear Doug:

The Demolition Review Committee (DRC) met today at 12 Center Street. Mr. Bob Hill, Congregational Church trustee, was present to answer questions and show us the structure in question. We reviewed the request to demolish the existing garage and were able to view the structure inside and out. It is the opinion of the DRC that the garage is not historically or culturally important to the town of Exeter. We understand that plans to replace the garage are intended to be of the same design and footprint as the existing structure. Voting in favor were John Merkle, John Grueter, Pam Gjettum, and Julie Gillman. As a church member and deacon, I abstained.

Please advise the applicant that they are free to proceed with demolition pending securing other required town approvals.

Sincerely,
