RE: Demolition request, single family residence at 25 Park Street

Dear Doug:

On January 25, 2023 at 11:00am the Demolition Review Committee, (DRC), met at the site to review the request to demolish the building at 25 Park Street. Present at that meeting were Heritage Commission members Pam Gjettum, John Grueter and myself. The property owner was not present.

It is the opinion of the DRC that this mid 20th century building is not historically or culturally significant to the town of Exeter. Please advise the applicant that they are free to proceed with demolition pending securing other required town approvals and permits.

Sincerely,
