New Business/ Old Business:

Update on multi-unit/story map: Status update from Rockingham Planning Commission:

All agreed Robert Pruyne and his intern (RPC) have done an amazing job pulling the photos into a storyboard. The next step is drafting descriptions for each photo. Include year built, conversion dates, number of units. The description will be another “photo slide” that will fall behind the photo(s) of each subject.

A color key will be added to help identify the color codes.

Robert will send us a copy of the older Master Plan map.

A link to this finished project will be provided on the town webpage when this project is completed.

Sarah Wrightsman will pull together a PowerPoint slide presentation.

Other: Russ Dean handed out assessed values to July 25, 2019 for sales and single family homes. This handout and new value and ratios will be discussed at the September 13, 2019 meeting.

MTAG (Municipal Technical Assistance Grant) update: Survey results will be discussed at September 13, 2019 meeting.

Julie Gilman (State Representative and Select Board member) will discuss the “Tiny House” committee work going on at the NH State House.

Meeting adjourned at 9:48 am

Respectfully submitted,

Nancy Belanger, Chair
