New Business/Old Business/Other:

The committee and others in attendance went through the final draft of the Multi-Unit Map and PowerPoint Presentation: Discussed ways to present the project to the public. Ways to get feedback from the public and how this tool could be used for educational purposes and any other ways the town will be able to utilize this information. Nancy Belanger will reach out to the Chair of the Select Board about getting on their agenda for the July 13, 2020 meeting so a brief presentation to the Select Board can be made. Sarah Wrightsman will write an introduction and Robert Pruyne will help with this and get it to Nancy Belanger to send to the other members of the HAC to review and give input of the text. This will be done as soon as possible so that we have it ready for our July 10, 2020 meeting to finalize the presentation to the Select Board.

Dave Sharples has nominated the Exeter Housing Future/ Mixed Use Neighborhood Development (MUND) for Project of the Year award with NH Planners. Dave expects to hear more on this in the next week or so.

The committee had a brief review of our June 22, 2017 Report. This is the 3-year anniversary of submitting this report to both the Select Board and Planning Board. This review will continue during our August 14, 2020 meeting.

Our next meeting will be on July 10, 2020.

Respectfully Submitted,

Nancy Belanger, Chair
