#### **FRIENDS RSVP Narrative**

The Friends Program is a non-profit human services agency operating since 1975 with four programs: a youth mentoring program, emergency housing for families, Foster Grandparent Program and RSVP - Retired and Senior Volunteer Program. Our mission is to "build positive connections and solutions for at risk youth, families and seniors."

New Hampshire is the second fastest aging state in the United States. It is vital that we put the skills and talents of older adults to work solving local problems. Area agencies need help connecting with that talent to fill their needs. Seniors who volunteer have decreased mortality and better health and cognitive outcomes than their non-volunteering peers. Our Friends RSVP volunteers improve their own health and well-being by volunteering in our program, reducing the support services that they require. Healthier, happier seniors and improved local services benefit New Hampshire.

Friends RSVP meets a myriad of community needs in NH, particularly for many of our most vulnerable people, resulting in better outcomes in health and independent living for seniors, the disabled, veterans and families; increased support of local nonprofits and public agencies so they can serve more people cost effectively; increased food security; and educational achievements for children, adults and refugees.

Over 300 RSVP volunteers serve each year. Of this number, more than 250 RSVP volunteers are placed in high impact assignments. Some of their activities include Transportation, Bone Builders, Food Distribution, Companionship, Community Gardens and Youth Mentoring. Volunteer sites include nursing care facilities such as Rockingham County Nursing Home, schools, senior nutrition sites, healthcare facilities, human service and municipal agencies, cultural and historical venues, homeless shelters, food pantries, and more.

RSVP volunteers respond to community partners in need with faithful volunteer service. Staffing blood drives, sewing and donating masks, transporting the homebound to medical appointments, and distributing food to our most at risk community members.

We work with over 55 community partners to increase social support for caregivers of homebound or older adults and individuals with disabilities; increase food security for individuals and households; and increase the number of seniors who experience increased strength, better balance, more energy, and enhanced feelings of wellbeing through Friends RSVP Bone Builders program.

Friends RSVP works in the Exeter area to recruit and place volunteers over the age of 55 in support of local nonprofits and public agencies. We also recognize and support these volunteers in their roles. Seniors have a lifetime of experience and expertise to offer that can help achieve important goals for our communities. Our goal is to connect capable, talented

seniors with agencies in need of help to meet critical needs. Friends RSVP supports local agencies by finding, screening, and training volunteers as well as providing excess liability and auto insurance coverage for the term of volunteer service.

Friends RSVP coordinators travel throughout Rockingham County and within Exeter performing outreach and recruitment activities for volunteers. Funding from the Town of Exeter provides materials, screening, training and support of volunteers at sites serving Exeter residents. We value the organizations we support and always ensure that our volunteers are properly screened and trained before placing them. This increases the success of our volunteers on behalf of the agencies they support.

Friends RSVP Caregiver volunteers help older adults live more independently by providing companionship, transportation to medical appointments and the grocery store. We provided 2,278 rides this year. Transportation remains a critical need for seniors and community members who are disabled.

Friends RSVP Bone Builders is our signature senior strength training and exercise class, which improves bone and muscle strength, balance, circulation and general health. Throughout Rockingham County Bone Builders classes are provided twice weekly, year-round, at local senior centers, churches and senior housing buildings. When surveyed, 96% of respondents report improvement in overall well-being because of their attendance at a Bone Builders class. Data from surveys strongly indicate that Bone Builder participants experience significant improvements in health, wellbeing, social engagement, strength, balance, and flexibility. Classes in Rockingham County remain active and many classes have wait lists as seniors recognize the importance of physical and social health. A total of 2,918 classes were held last year. Currently serving the Exeter, classes are held throughout the Rockingham County area and are available to any Exeter residents.

Friends RSVP recruits, trains, and supports volunteers to help your town and surrounding communities that in turn can do more to help local citizens. Through this type of coordination, Friends RSVP is proud to partner with the Town of Exeter and continue to provide so much support to those that are in need. **Return on investment for senior volunteer programs has been estimated at 8-1**. Ongoing financial support of Exeter and other towns in Rockingham County is necessary to continue this vital volunteer service program.

Support from the Town of Exeter is greatly appreciated.

### FRIENDS RSVP Annual Report on Service Data – Summary of Fund Utilization

In Exeter during the last full year reported, July 1, 2022 through June 30, 2023, Friends RSVP volunteers served at local Bone Builders free senior exercise classes and also provided 1,807 hours of service through projects at the statewide level which benefit Exeter residents. Organizations served include the American Red Cross, Future in Sight, NH State Library, Northeast Resource Recycling Association, and AARP Tax Preparation.

Rockingham County projects included veterans' transportation, companionship and medical transportation for the homebound, community gardens, food pantries, and more.

#### During the last year, July 1, 2022 through June 30, 2023, Friends RSVP:

- Assisted **55 organizations** that served the residents of Rockingham County.
- Mobilized 156 volunteers for Rockingham County, who delivered 29,612 hours of assistance to local residents.
- Enabled organizations to increase their service capacity and quality, and save money for the residents of Rockingham County and Exeter.

The value of service can be estimated at \$963,574 for Exeter and Rockingham County, based on the 2022 Bureau of Labor Statistics mean hourly wage for New Hampshire of \$32.54 (Independent Sector average value of a volunteer hour is \$32.54 per hour for NH).

Our Friends RSVP volunteers also work on community projects in the area that support local needs and organizations with food and clothing collection, community gardening, tutoring and mentoring. Volunteers assist with blood drives across the county. Agencies benefit from office support, including database work and mailings. Our dedicated volunteers also visit veterans and nursing homes to provide companionship to those who are alone. They prepare meals for congregate meal sites and Meals on Wheels locations. Our volunteers work to fill every need they encounter.

New Hampshire is one of the fastest aging states in the nation. We have an important talent resource in our seniors; area agencies need help connecting with that talent to fill their needs. Seniors who volunteer have decreased mortality and better health and cognitive outcomes than their non-volunteering peers. Our Friends RSVP volunteers improve their own health and well-being by volunteering in our program, reducing the support services that they require.

Your outstanding support of Friends RSVP is appreciated. Thank you from all of us at Friends RSVP.
