Also present were: Chief Bill Shupe and two officers; along with Beth Dupell, who will be helping to direct the participants on Swasey Parkway and on the parade route. It is important that we all have the information regarding road closures, parking, etc.

- Once again we looked at the slide presentation of the parade order and made some necessary adjustments.
- We decided that the pizza will be served after the parade in the parking lot of the old high school on Linden St.
- We will have a handicap porta-potty at Gale Park; Florence to alert the abutting neighbors that it will be there for a little over 24 hours.
- Not all committee members know their assignments for placement during the parade, so that will continue at our next meeting.
- It was determined we need 50 poppies.
- We will be meeting with scout leaders to determine what their roles will be in the parade... we need some scouts to carry wreaths; some to seat vets; some to hold flags, a scout to lead the Pledge of Allegiance.

Next Meeting will be Tuesday, April 25th at 10:00 AM in the Wheelwright Room at the Town Office Bldg.
