Description: *The Producers* is a 1967 American satirical black comedy film written and directed by Mel Brooks, and has been adapted for the stage. The story is about a mild-mannered accountant and a con artist theater producer who scheme to get rich by fraudulently overselling shares in a stage musical designed to fail. To this end, they find a playscript celebrating Adolf Hitler and the Nazis and bring it to the stage. Because of this theme, *The Producers* was controversial from the start and received mixed reviews. It became a cult film and found a fanatical positive critical reception later.
