Performing Arts Classes

Theatre goes so far beyond what you see on stage! Invest in a hobby that will build your child's self confidence, give them an outlet for their creative abilities, and allow them the opportunity to be a part of a tight knit community with a common interest. They will love having their time to shine, and you will love seeing their personalities in a way you've never experienced before!

Intermediate Acting

Ages 9-13
Your child will learn theatrical terms, memorization strategies, projection skills, improv, practice character development and perform one act plays with individualized attention and guidance!

Class Information

All classes run in 8 week sessions, once a week, for one hour per class. Each 8 week session costs \$150, which must be paid in full at the time of registration. There will be no refunds, but if class is cancelled due to inclement weather, an additional "make up" class will be added to the end of the session.
