

YOUTH FENCING

AGES 6-14

Exeter Fencing welcomes participants of all experience levels to come and check out the Olympic sport of fencing! Fencers will learn mobility, fencing footwork, bladework, and competitive tactics. Often likened to 'physical chess,' fencing is the ultimate sport for conditioning the body and stimulating the mind, developing balance, coordination, focus, and discipline in a fun and engaging environment. Fee includes all equipment and instruction. Class will be held at the Exeter Recreation Department 32 Court St.
