ZERO TOLERANCE POLICY

Because of the physical and verbal abuse taking place at youth sporting events across the country, many organizations have chosen to adopt a Zero Tolerance Policy towards abusive behavior. The Exeter Parks & Recreation has decided to take a proactive approach and adopt the following measures:

The following is the policy for Exeter Parks & Recreation's Summer Slam Youth Outdoor Basketball League.

It is the responsibility of ALL coaches, players, parents, relatives, siblings, and other spectators to maintain the highest standards of conduct for their behavior at all EPRD and Summer Slam League sporting events including, but not limited to, practices, games, and tournaments. Abusive and obscene language, violent play, violent conduct, fighting, and other behaviors detrimental to the sporting event will not be tolerated.

It is the responsibility of ALL present to support the presiding official referees. There will be absolutely NO YELLING OR BELITTLING of these presiding officials. In addition, there will be no criticism, sarcasm, harassment, or intimidation of any kind towards the presiding officials. Failure to follow these simple instructions will undermine the official's authority and has the potential to lead to a hostile environment for players, officials, and all other participants and spectators.

It is the understanding of any parent that chooses to have their child participate in EPRD and Summer Slam League events that these simple guidelines MUST BE FOLLOWED.

Penalties:

- Any minor infraction: A verbal request or warning will be given by a coach or referee, and it is expected that the reason for the warning will stop immediately.
- Subsequent infractions: The offending person or player will be asked to leave the playing field area immediately until the next scheduled event. The Exeter Parks & Recreation Department reserves the right to take further action depending on the severity of the situation.
- Serious or consistent infractions: EPRD reserves the right to take action as it deems necessary up to and including permanent dismissal from the EPRD leagues and playing areas. Should anyone not comply with this ruling, the EPRD will seek assistance from the local Police department immediately.

All participants in the Summer Slam League should adhere to the following principals of good sportsmanship:

- Respect the decision of coaches and officials

- Treat opponents with respect
