

Gourd Birdhouse Making

Adults 50+

PROGRAM: Create your own vibrant Sun Faced Gourd Birdhouse! In this one 2-hour class, participants will paint their own large gourd birdhouse. These are fun, decorative, durable and functional birdhouses that everyone will enjoy. You will learn technical skills in this class on how to design and produce your own personalized sun-faced gourd.

INSTRUCTOR: Leslie Metzger's goal is to empower students and teach them about the joy of "process" which is why we make art in the first place. Her students will benefit from her personal experience as a late bloomer in the art field. She is able to demystify art supplies from gum erasers to techniques to color and mostly to let go and take chances.

SUPPLIES: All materials are supplied by the instructor.
