

Beginner Collage Class

Adults 50+

CLASS INFORMATION

In this hands-on workshop, you'll be introduced to a variety of creative tools and techniques, including paint, gel papers, stenciling, and working with magazines. In this class, participants will explore nature as inspiration and be guided through transforming scraps, such as fabric, photographs, poems, ticket stubs, buttons, and personal observations, into expressive collage art. You'll learn how to cut and assemble bits and pieces into beautiful representations such as flowers, trees, and birds, creating a unique piece that reflects your personal experiences.

Participants should bring some old magazines to use for their artwork! All other supplies are provided by EPRD. No prior art experience is necessary—just bring your curiosity and creativity!
