

Painting a Gourd Santa Ages 50+

CLASS INFORMATION

Come try a craft that combines nature and painting – Make your own Heirloom Santa gourd! You've admired them at craft fairs (and fainted at the price!) come learn to make your own. The first class, learn how to paint Santa with special emphasis on his eyes! In the second class we'll paint a cynical Santa tree ornament from a gourd. These make a great small gift. Bring your enthusiasm, all other materials will be provided.

INSTRUCTOR

Leslie Metzger's goal is to empower students and teach them about the joy of "process" which is why we make art in the first place. Her students will benefit from her personal experience as a late bloomer in the art field. She is able to demystify art supplies from gum erasers to techniques to color and mostly to let go and take chances.

SUPPLIES

All supplies are provided by EPRD.
