

Sensory Friendly Ceramics Classes

Description: This welcoming ceramics class is designed to provide children (5+) with autism a fun, creative, and supportive environment to participate in ceramics. Participants will enjoy hands-on activities such as painting projects at their own pace. The class emphasizes sensory-friendly experiences, creativity, and self-expression while building fine motor skills, confidence, and comfort working with new materials. Instruction is gentle and flexible, with clear demonstrations, visual cues, and plenty of encouragement. Participants are free to engage in the activities in ways that feel comfortable to them—there is no “right” or “wrong” way to create. The focus is on the process, not the finished product. All materials are provided. This class is ideal for people who enjoy tactile play and creative exploration in a calm, structured setting. An adult must attend the program with child. Children must be at least 5 years old by the start of class.

Registration: Registration is open on a first-come, first-served basis. Registrations are accepted at the Exeter Community Center (10 Hampton Rd.) during our business hours, on-line, mail or by phone. (4) Minimum, (8) maximum.

Dates & Time: Mondays, April 27 & May 4, 2026
from 2:45-3:45pm.

Location: Exeter Community Center, 10
Hampton Rd. Exeter, NH 03833

Fee: The fee is \$15 for residents per class and
\$20 for non-residents per class.

Supplies: All supplies will be supplied by EPRD.
