

Pickleball Scrambles

August 30, September 27 & October 18, 2026

Description: Get in on the competition with Exeter Parks & Recreation's 2026 Pickleball Scrambles! Depending on registration, we will split groups into Intermediate and Advance play. At the time of registration, please indicate your level. This tournament will be a round-robin style with players rotating partners and opponents throughout the event. Each game is played to 11 (win by 2, or 15 minute limit.) Scores are recorded individually, and the player with the highest cumulative score is the winner! Players will be grouped in packs of 8 and will play with each player in their group for a total of 7 games over the course of the evening. **Prizes will be awarded to the top 3 players with the highest cumulative score.** Proceeds from these scrambles will be saved for court improvements. This event is sanctioned by USA Pickleball. **All participants must be active USA Pickleball members.** **See steps on page 2.** Results from games will be DUPR reported.
