

School's Out Adventure Program Grades K-5

Program Description:

No school? No problem! Exeter Parks & Recreation's School's Out Adventure Program gives kids a fun-filled day of adventure, creativity, and play when school is out for professional development days.

Designed for children in grades K–5, the program will be held at the Exeter Parks & Recreation Community Center at 10 Hampton Road. Participants will enjoy a full day packed with exciting activities, including sports and games, outdoor play, Planet Playground adventures, arts & crafts, STEM activities, and more! There will be plenty of opportunities to make new friends, stay active, and have an unforgettable day while school is out. Pizza lunch is included.

Send your child to School's Out Adventure for a day of fun, friendship, and adventure while you tackle your own plans for the day!

The program will be held at the EPRD Community Center, 10 Hampton Road, Exeter, NH.
