Town of Exeter Application for Minor Subdivision, Minor Site Plan, and/or Lot Line Adjustment

Date: April, 2015

Memo To: Applicants for Minor Subdivision, Minor Site Plan, and/or Lot Line Adjustment

From: Planning Department

Re: Guidelines for Processing Applications

The goal of the Planning Board is to process applications as quickly and efficiently as possible. To this end, we have designed an application procedure which is simple and easy to follow (see attached). If some of the information being requested seems irrelevant, please check with the Planning Department office, it may be that your particular proposal does not warrant such information.

It is strongly recommended that prior to submitting an application you discuss your proposal informally with the Town Planner. The Town Planner will review your proposal for conformance with the applicable Town regulations and advise you as to the procedures for obtaining Planning Board approval. Please contact the Planning Department office at (603)778-0591, X112 to schedule an appointment.

The key to receiving a prompt decision from the Planning Board is to adhere closely to the Board's procedures. A chart outlining the "Planning Board Review Process" is attached for your information. Please be aware that a technical review of your proposal by the Technical Review Committee (TRC) will likely precede Planning Board determination. Staff will gladly review the Application process with you so that you understand the various milestones in the process. A checklist is attached to this application to assist you in preparing your plans.

Copies of the applicable "Site Review and Subdivision Regulations" are available on-line on the Town's web site (www.exeternh.gov) or maybe purchased at the Planning Department office on the second floor to the Town Office Building located at 10 Front Street. It is strongly recommended that you become familiar with these regulations, as they are the basis for review and approval.

CHECKLIST FOR LOT LINE ADJUSTMENT, MINOR SITE PLAN, or MINOR SUBDIVISION PLAN PREPARATION

The checklist on the following page has been prepared to assist you in the preparation of your subdivision plan. The checklist items listed correspond to the subdivision plan requirements set forth in Section 7 of the "Site Plan Review and Subdivision Regulations". Unless otherwise indicated, all section references within this checklist refer to these regulations. Each of the items listed on this checklist must be addressed prior to the technical review of subdivision plans by the Technical Review Committee (TRC). See Section 6.5 of the "Site Plan Review and Subdivision Regulations". This checklist **DOES NOT** include all of the detailed information required for subdivision and lot line adjustment plans and therefore should not be the sole basis for the preparation of these plans. For a complete listing of subdivision plan requirements, please refer to Section 7 of the "Site Plan Review and Subdivision Regulations". In addition to these required plan items, the Planning Board will review subdivision plans based upon the standards set forth in Sections 8 and 9 of the "Site Plan Review and Subdivision Regulations". As the applicant, it is **YOUR RESPONSIBILITY** to familiarize yourself with these standards and to prepare your plans in conformance with them.

Please complete this checklist by marking each item listed in the column labeled "Applicant" with one of the following: "X" (information provided); "NA" (note applicable); "W" (waiver requested). For all checklist items marked "NA", a final determination regarding applicability will be made by the TRC. For all items marked "W", please refer to Section 11 of the "Site Plan Review and Subdivision Regulations" for the proper waiver request procedure. All waiver requests will be acted upon by the Planning Board at a public hearing. Please contact the Planning Department office, if you have any questions concerning the proper completion of this checklist.

All of the required information for the plans listed in the checklist must be provided on separate sheets, unless otherwise approved by the TRC.

NOTE: AN INCOMPLETE CHECKLIST WILL BE GROUNDS FOR REJECTION OF YOUR APPLICATION.
