This conceptual level budget is based on 2022 construction costs

The budget assumes mid-level construction materials including; masonry veneer, metal stud framing, with a structural steel superstructure and standard foundation systems, pending further geotechnical investigation.

### **Costs not included:**

Land acquisition costs are not included in this budget

Any temporary accommodations, relocations, and facility rental costs during construction are not included in this budget New or relocated communications equipment; including radio antenna, dispatch consoles, and radio systems

This conceptual level budget is based on 2022 construction costs

The budget assumes mid-level construction materials including; masonry veneer, metal stud framing, with a structural steel superstructure and standard foundation systems, pending further geotechnical investigation.

#### **Costs not included:**

Land acquisition costs are not included in this budget

Any temporary accommodations, relocations, and facility rental costs during construction are not included in this budget New or relocated communications equipment; including radio antenna, dispatch consoles, and radio systems
