

# Sustainable Seasons Community Film Series

Thought Provoking Films.  
Hands-On Actions.

*Sustainable Seasons*, a four event program, aims to educate and empower, creating a community-driven movement towards a greener, more sustainable future. Each season pairs a compelling film on a different sustainability concern with a real life, individual action.

## WINTER: Threads of Change

What is fast fashion? How can we change the impact?

- FILM: *Alex James: Slowing Down Fast Fashion*
- ACTION: bring in clean, dry, and odorless items for Helpsy to recycle.
