30 Request for Extension of Conditional Approval (expires 1-23-22)

31
32 David Choate the listing agent presented the request for an extension of the Conditional
33 Approval on behalf of the applicant. He noted the contract with Great Bridge Properties
34 was not funded by NH Finance Authority in 2020 and they had hoped for 2021 but the
35 agreement was terminated on 3/19/21. Mr. Choate noted the property is being
36 remarketed; the P&S fell through today. Having a Brownfield's identified site is
37 challenging and needs a unique buyer. Mr. Choate said he felt confident the property
38 would be under agreement before the ZBA approval lapses.
39

40 Vice-Chair Brown opened the hearing to the public for comments and questions at 7:10
41 PM.

42
43 Mr. Sharples indicated this would be the second extension since reapplication under the
44 current regulations. Vice-Chair Brown noted it was nice to have someone representing
45 the applicant here.

75
76 2. Citizen's Petition to amend Article 2, Section 2.2.12 of the Exeter Zoning Ordinance – Bed & Breakfast
77 (the definition of) to read as follows: "The primary dwelling of a owner-operated and/or detached
78 accessory structure on the same property, that provides for the lodging of transient guests and whose
79 posted rates shall include breakfast." "A Bed and Breakfast shall have no more than four (4) rentable
80 rooms and a dining area capable of accommodating the number of registered guests."

81

82 Vice-Chair Brown read out loud the Public Hearing Notice and opened the hearing to the public for
83 comments and questions at 7:18 PM.

84

85 Mr. Sharples indicated the Petition was received on December 8, 2021 with the signatures of 25
86 registered voters. Mr. Sharples advised that the Board could recommend or not recommend adoption
87 and then it will go on the Warrant Article but the wording cannot be changed.

88

89 Vice-Chair Brown asked the time before it goes forward and Mr. Sharples indicated the final warrant is
90 due on January 31st.

91

92 Ben Anderson presented the Petition. He indicated he and his wife Sarah ran the Word Barn. They
93 rented to a long-term tenant for 5-6 years and then wanted to transition from long term rental to short-
94 term rentals to be more compatible with other uses and for financial support and to be able to use Air
95 BnB to screen short-term tenants well Short term rentals have resulted in 98% occupancy however they
96 require a Special Exception from the ZBA. After applying the ZBA determined they did not qualify due to
97 the language that no other hospitality or business relates uses take place on the premises. The Zoning
98 Ordinance still protects against that and still requires the owners live on the property and require dining
99 area and breakfast.

100

101 Vice-Chair Brown stated he could not think of any unintended consequences. Mr. Grueter questioned
102 whether the change would affect any current users. Vice-Chair Brown indicated it would be less
103 restrictive.

104

105 Ms. Belanger voiced some initial concerns serving on the Housing Advisory Committee and promoting
106 affordable housing and has concerns that short term rentals take away from that. Vice-Chair Brown
107 clarified that the matter in question was the definition of Bed & Breakfast. Ms. Martel agreed. Ms.
108 Cowan noted she too is an advocate of affordable housing but the definition protects the Town from
109 Bed & Breakfasts being run without the owners living on the property and helps people stay in their
110 homes. Allowing this change to the definition does not contribute to the problem of affordable housing.
111 Ms. English agreed with Ms. Cowan and asked if Town Counsel would be reviewing the proposed
112 amendment. Mr. Sharples noted that the language could not be changed.

113

114 ***Ms. Belanger motioned that the Planning Board recommend approval of the Citizen's Petition, dated***
115 ***December 8, 2021, as presented, to amend Article 2, Section 2.2.12 of the Town of Exeter Zoning***

144 and out of Exeter and they wanted more infrastructure in Exeter than the scope
145 of the project would warrant. Pipes would have to be resized and the pump
146 station updated which is in the CIP costing millions of dollars, but not anytime
147 soon.
