51

52 Ms. English recommended edits.

53

54 **Ms. Belanger motioned to approve the August 24, 2023 minutes as amended. Ms. English seconded**
55 **the motion. A vote was taken. Mr. Grueter abstained. The motion passed 5-0-1.**

56

57 **IV. NEW BUSINESS:**

58 1. The application of the Town of Exeter for a lot line adjustment between the properties
59 located at 4 Hampton Road and 8 Hampton Road.

61 Tax Map Parcels #69-4 and #69-6

62 Planning Board Case #23-14

63

64 Chair Plumer read out loud the public hearing notice.

65

66 Mr. Sharples indicated the case was ready to be heard.

67

68 **Mr. Cameron motioned to open Planning Board Case #23-14. Ms. Belanger seconded the**
69 **motion. A vote was taken, all were in favor, the motion passed 6-0-0.**

70

71 Mr. Sharples noted the application is for lot line adjustment with the Town of Exeter as a party.
72 The other owner is Exeter NH Property LLC. Mr. Sharples read out loud an authorization letter
73 written by Joel Landau of 8 Hampton Road for a duly authorized representative of the Town to
74 present the application to the Board.

75

76 Mr. Sharples noted he is duly authorized to present the application for a lot line adjustment
77 between the parties. He displayed an aerial map of the properties and pointed out the area
78 utilized by Recreation for Planet Playground. He noted it was not on town property and the
79 playground is aging and needs work. The Town wanted to own the piece before investing in
80 those repairs and improvements. Mr. Sharples presented the lot line adjustment plan and
81 noted the 19,000 SF area with stone wall, where iron pins will be set for the new line.

82

83 Chair Plumer noted there was no public for comments.

84

85 Mr. Sharples noted that the dwg plan which would normally be the second standard condition
86 of approval, has been received, as the Town paid for the survey. The other standard condition
87 is monumentation being set.

88

89 Mr. Grueter asked the cost and Mr. Sharples reported the Town paid \$50,000.

90

91 Vice Chair Brown asked about noticing the condominium association and Mr. Sharples
92 explained the RSA allows notice to be sent to the association rather than each individual owner,
93 same as with an HOA where notice goes to its president.

94

95 Mr. Sharples read out loud the condition of approval:

96

97 1. All monuments be set in accordance with section 9.2.5 of the site plan review and
98 subdivision regulations.

99

100 ***Ms. English motioned to approve the request of the Town of Exeter, Planning Board Case #23-***
101 ***14 for a lot line adjustment, subject to the condition noted. Ms. Belanger seconded the***
102 ***motion. A vote was taken, all were in favor, the motion passed 6-0-0.***

103

104 VI. OTHER BUSINESS

105

- Master Plan Discussion

106

Mr. Sharples reported the Master Plan Oversight Committee met last week to discuss
the Bike and Pedestrian Master Plan. There will be another meeting scheduled to finish.

107

108

- Field Modifications

109

110

- Bond and/or Letter of Credit Reductions and Release

111

112

Mr. Sharples summarized for board members that were not present that the
Department continues working with Finance to release old, outdated bonds and
LOC on a variety of projects. He reported that a bond release was approved for
Sterling Hill. \$50,000 was held for the traffic light and other monies for general
improvements not used for six years, which is the time the RSA allows the funds
to be used.

118 VII. TOWN PLANNER'S ITEMS

119

Mr. Sharples reported that the Land Use Regulations review will start back up on the 28th.

120 Mr. Sharples reported that Site Plan and Subdivision Regulations were amended in August, and
121 he has the inserts for the handbooks as well as the adopted CIP for members to take with them.

122 Vice Chair Brown asked about proper stabilization controls for property that abuts a wetland.
123 He noted a 45-degree pitch and some bark mulch. Mr. Sharples noted he is not an engineer but
124 in his opinion 45 degrees is quite an angle for mulch. He recommended staked hay bales, and
125 silt sock.

126 Vice-Chair Brown asked about a private road owned by an association with town water and
127 sewer. Mr. Sharples noted if the Town owns the main stem and the owners or association own
128 the connection. Vice-Chair Brown clarified the question was what responsibility does the Town
129 take to ensure that the road is top coated. He noted this is a condominium with no lot lines.
130 Mr. Sharples explained that the Town does get involved in bonding on private property if a lot
131 has been sold to ensure that the unfinished development is finished if the developer goes
132 under and will absolutely bond everything from sidewalks to curbing. He noted he had sent a
133 letter recently where an escrow was held and one item was not done. The owner would have
134 30-45 days to respond and if they don't respond, the Town will complete the unfinished item.

135 **VIII. CHAIRPERSON'S ITEMS**

136 **IX. PB REPRESENTATIVE'S REPORT ON "OTHER COMMITTEE ACTIVITY"**

137 Ms. Belanger reported that the Housing Advisory Committee field trip planned on Wednesday,
138 September 13th at 5 PM to look at workforce housing development initiated by John & Maggie
139 Randolph for their employees in Dover is being rescheduled due to the weather.

140 Ms. Belanger reported there will be an All Board's Meeting on Wednesday, October 11th.

141 Ms. Belanger reported there will be a Right to Know Law workshop on Wednesday, October
142 18th.

143 Ms. Belanger reported that the Select Board reviewed the Planning Board's comments
144 concerning the CIP but the letter will not be in their packet until the 25th.

145 **X. ADJOURN**

146 ***Mr. Grueter motioned to adjourn the meeting at 8:06 PM. Ms. Belanger seconded the***
147 ***motion. A vote was taken, all were in favor, the motion passed 6-0-0.***

148

149 Respectfully submitted.
