

COMMITTEE MEMBERS

Robert J Corson, Chair

Robert has been a resident of Exeter since 1997. He has been employed as the Facilities Architect for Exeter Health Resources in Exeter NH since 2006. Prior to joining Exeter Robert was an Associate and senior project manager for JSA Inc. in Portsmouth NH. Robert is a registered Architect in Massachusetts, New Hampshire and has over 25 years of design and construction experience with diverse project ranges. As a resident of Exeter he has served on the Historic District Commission; the Building Committee for the Exeter High School; Budget Committee and a Board member of the New Outlook Teen Center.

Amy Bailey, Vice Chair

Amy has been a resident of Exeter since 1992. She has worked primarily in Construction Management and was on staff in the Facilities Departments at PEA and UNH. Prior to moving to Exeter, Amy was a Project Engineer with Turner Construction in New York and Philadelphia. Amy is a registered Architect in New Hampshire, Massachusetts, New York, and Pennsylvania and is an AIA member. She is a LEED Accredited Professional. As a resident of Exeter she has served on the Zoning Board, Historic District Commission, Board of Selectmen and is currently a member of the Planning Board.

Gerry Hamel

Gerry is a native of Exeter. He started a painting contractor business in 1972. In the mid-1980's Gerry turned the focus of his business to conceptual design and total renovation of residential properties. Gerry was certified as a NH Lead Paint Abatement Contractor in 1995. Currently, Gerry's business is involved in buying, renovating and resale of homes, new residential construction and small subdivision development. Gerry has been a member of the Town of Exeter Budget Recommendation Committee for the past five years.

Mark Leighton

Mark has been a resident of Exeter since October 2006. He has been employed at Phillips Exeter Academy as the Associate Director for Facilities Management since October 2006. Prior to working at Phillips Exeter Academy, Mark worked as a Mechanical Engineer for Naval Facilities Engineering Command for nine years. Mark is a registered Professional Engineer in the State of Oregon.

Jonathan S. Ring

Jonathan was born at the Portsmouth Naval Shipyard Hospital in 1954. His mother's family, the Tufts, have lived in Exeter since 1878. Since 1966, Jon has called Exeter his hometown and he attended local schools graduating from Phillips Exeter Academy in 1972. He served on the Exeter Planning Board for six years in the early 1990s, with three of those as Chairman. He has been a licensed professional civil engineer since 1989 and has designed and presented numerous site and subdivision plans in Exeter and surrounding communities, including River Woods at Exeter, the Exeter Hospital and the Forest Ridge Open Space Subdivision projects.

Julie Dupré Gilman

Selectmen's' Rep

Julie was born and raised in Exeter and attended local schools. She earned a degree in architectural design from Rhode Island School of Design. Julie worked for 20 years in the field of architectural design with the last 13 years at Cambridge Seven Associates, Cambridge MA. While there, she specialized in construction documentation and project management on a range of private and public projects including hotels, aquaria, museums and educational facilities. In addition Julie was Information Technology Manager. After returning to Exeter in 2002 Julie served on the Zoning Board of Adjustment and is currently serving her second year as selectman.
