Kingston Rd Improvement Project – Update Archive

Update 9/30/16: A public meeting was held on Wednesday, September 28th to present design alternatives for this project. Thank you to everyone that attended and provided feedback on the alternatives. These comments will be incorporated into the Engineering Study that will be presented to the Board of Selectman and NH DOT in the coming weeks.

Update 9/9/16: A public meeting will be held on Wednesday, September 28th at 6:30 pm to present design alternatives for this project. Everyone is encouraged to join the discussion on how to improve pedestrian and bicycle uses on Kingston Road.

Update 9/2/16: A public meeting will be held on Wednesday, September 28th at 6:30 pm to present design alternatives for this project. Everyone is encouraged to join the discussion on how to improve pedestrian and bicycle uses on Kingston Road. Please feel free to call or email with any questions.

Update 8/19/16: Thank you to all that attended the Local Concerns Meeting for this project on Wednesday night. We got a lot of great feedback about the needs for pedestrian and bicycle improvements in this corridor. CMA Engineers and Town staff will be developing several alternatives to be presented at a meeting in September/October. The meeting date will be announced in the next few weeks

Update 8/12/16: We are beginning the design of bicycle and pedestrian improvements for Kingston Road from Westside Drive to Pickpocket Road. **A Local Concerns Meeting for this project will be held next week on Wednesday, August 17, 2016, at 6:30 pm at the Town Office** (10 Front St). The intent of the meeting is to collect input from the public relative to the existing conditions, concerns, and project goals. A review of the existing site conditions, contemplated improvements, and schedule will be followed by a question, answer, and comment period. All are welcome to attend.

Update 8/5/16: We are beginning the design of bicycle and pedestrian improvements for Kingston Road from Westside Drive to Pickpocket Road. A Local Concerns Meeting for this project will be held on Wednesday, August 17, 2016, at 6:30 pm at the Town Office (10 Front St). The intent of the meeting is to collect input from the public relative to the existing conditions, concerns, and project goals. A review of the existing site conditions, contemplated improvements, and schedule will be followed by a question, answer, and comment period. All are welcome to attend.

Update 7/29/16: We are beginning the design of bicycle and pedestrian improvements for Kingston Road from Westside Drive to Pickpocket Road. A Local Concerns Meeting for this

project will be held on **Wednesday, August 17th 2016, at 6:30 pm** at the Town Office (10 Front St).
