Resident
Westside Drive Neighborhood
Exeter, NH 03833

Re: **Neighborhood Meeting Notice**
Westside Drive Area Improvements
Exeter, New Hampshire

Dear Neighborhood Resident:

As you may be aware the Town is designing improvements to the municipal infrastructure (water, sewer, drainage, roads and sidewalks) in the Westside Drive neighborhood. The project design is advancing as part of our ongoing mission to provide reliable municipal services in Town.

We wanted to provide you with this notice to let you know that we will have another neighborhood information meeting on **Tuesday, May 16, 2023 @ 6:30pm**. The meeting will be virtual and you can attend by signing up at the following link: <https://www.exeternh.gov/publicworks/westside-drive-project-neighborhood-meeting-online>. The goal of the meeting is to provide you with update on the status of the project and garner neighborhood consensus about roadway improvement preferences. Two concept sketches are on the back of this notice.

Additional information regarding the Westside Drive Area project can also be found on the Town website at <https://www.exeternh.gov/publicworks/westside-drive-area-utility-improvement-project>. If you have any questions or would like additional information, please contact Cole Melendy, P.E., Project Manager, Underwood Engineers at (603) 436-6192 or cmelendy@underwoodengineers.com or Paul Vlasich, P.E., Interim Public Works Director at (603) 773-6157 or pvasich@exeternh.gov.

Thank you for your time, cooperation, and support.

Very truly yours,

TOWN OF EXETER

Paul Vlasich, P.E.
Interim Public Works Director
