

PUBLIC INFORMATIONAL MEETING NOTICE

**WESTSIDE DRIVE DRAINAGE, WATER AND ROADWAY
IMPROVEMENTS**

**Thursday, October 30th 2025 at 6:00PM at the
Exeter Public Library, 4 Chestnut St, Exeter, NH**

The Town will be conducting an in-person public informational meeting on October 30th, 2025, at 6:00 PM at the Exeter Public Library about the Westside Drive Drainage, Water and Roadway Improvements project. This meeting is a continuation of the Town's efforts to provide residents with information about the proposed project. The purpose of this meeting is to provide information regarding construction operations and expectations, which are scheduled to begin on or around November 3rd. Representatives from the Town, the Town's Engineering Consultant, Underwood Engineers, Inc. (UE), and the Town's Contractor, N. Granese and Sons, Inc., will be present and there will be an opportunity for property owners to ask questions following the presentation including project history, proposed improvements, and project schedule.

Please note, to provide the best possible individual attention to answer questions, the meeting is being conducted in-person with no interactive virtual format. However, if you are not able to attend, the presentation will be recorded and made available on the Town's website following the meeting. This is an important project for the Town, and we thank you for your continued support.
