
TOWN OF EXETER
PUBLIC NOTICE

PUBLIC INFORMATION & INPUT MEETING #3
SCHOOL STREET AREA IMPROVEMENT PROJECT
FINAL DESIGN REVIEW

Date: Monday, March 16, 2026

Time: 6:00 PM

Location: Exeter Town Hall
9 Front Street, Exeter, NH

The Town of Exeter invites residents, business owners, and community members to attend the third public informational meeting for the School Street Area Improvement Project.

At this meeting, the Town's consulting engineer, CMA Engineers, will present the **final design** for the project. The design reflects input received during the first two public meetings, as well as coordination with Town staff and local stakeholders. An updated project schedule, including anticipated bidding and construction timelines, will also be shared.

Proposed improvements include:

- Roadway and sidewalk modifications
 - Water and sewer system upgrades
 - Stormwater drainage improvements
-

MEETING PURPOSE

The project team will present the final design, review the anticipated project schedule, and outline the next steps for bidding and construction. Community members will have the opportunity to ask questions and provide input.
