About The Tour

Join the Exeter Housing Advisory Committee, New Hampshire Planners Association, Rockingham Planning Commission, and the Workforce Housing Coalition of the Greater Seacoast for a walking tour of diverse housing options in downtown Exeter.

The 1.5 mile guided tour will feature discussion from housing experts and local data from municipal officials. Attendees will explore everything from multi-family developments to a cluster of single family homes -- all right downtown.

After the tour, attendees are invited to continue the discussion at an informal happy hour hosted by the Workforce Housing Coalition of the Greater Seacoast at the Seadog Brewing Company just steps away from the Town Hall.
