Surface Water Treatment Plant Design and Engineering Phase II (\$2,000,000)

To see if the Town will vote to raise and appropriate the sum of two million dollars (\$2,000,000) for the purpose of phase II design and engineering of a new surface water treatment plant including evaluation for cost saving measures and alternatives, and to authorize the issuance of not more than \$2,000,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other items thereof; and further to authorize the Select Board to apply for, obtain, accept, and expend federal, state or other aid, if any, including principal forgiveness, which may become available for this project and to comply with all laws applicable to such project; and further to authorize the Select Board to take any other action or pass any other vote relative thereto. Without impairing the general obligation nature of the bonds or notes, it is anticipated that debt service will be paid from the water fund. Bond payments would begin approximately one year after issuance.

(3/5 ballot vote required for approval.) by the Select Board X-X.
