

**TOWN OF EXETER  
SUSTAINABILITY ADVISORY COMMITTEE  
MEETING MINUTES  
9/5/23**

Meeting was called to order by Chris at 7:02pm

**Members present:** Chris Zigmont, Ryan Jean, and Jackie Ojala

**Staff and Select Board Member Present:** Kristen Murphy, Conservation & Sustainability Planner  
Dan Chartrand, Select Board Representative

There is not a quorum present at this meeting so we will be having a discussion-only meeting. We will not approve August's minutes until we have a quorum next month.

Rolling Chair – discussion

- Robert's rules of order don't allow for a rotating chair
- The committee will consider moving to a quarterly option with work still happening between meetings to lessen the workload for the chair & vice chair
  - The committee could meet more if needed to complete agenda items

Opt-Up volunteering at Farmers Market (9/14 2:30-6p)

- Chris will join Chetana at the Farmers Market

Pumpkin Composting

- Jackie will reach out to Jennifer to see if she is interested in hosting again this year
- Possibility to have Mr. Fox set up composting at Townhouse Common if Laney & Lu isn't interested

SAC has around \$1300 of budget left for the year

- We can pay for members to attend local energy symposium
- Can we use SAC budget to buy Kingsford charcoal pales (~\$15-18) and give them out to residents to promote composting at the transfer station? Chris will work with Kristen on this for the next meeting

With no additional business, Adam motioned, and Jackie seconded to adjourn. Motion passed unanimously. Adjourned at 7:28pm

Respectfully submitted,  
Jackie Ojala
