

**Town of Exeter**

**Swasey Parkway Trustee Meeting Site Walk 4/24/2020**

**Approved Minutes**

Present: Mark Damsell, Dave Short, Dwane Staples

The meeting was opened at 5:30pm for the purpose of discussing the replacement and placement of two trees that were removed during the sewer pipe line project. The trees were removed to install the new pipe and Matt Berube is going to replace them. We discussed options for trees and decide on a tree Lilac and a Tulip tree as the replacements. We put flags in the spots where we wanted the tree planted and Mr. Staples is going to contact Mr. Berube.

A motion was made to adjourn by Mr. Staples and seconded by Mr. Damsell and passed unanimously. Adjourn at 5:50pm.

Respectfully Submitted,

Dwane Staples, Chairperson
