Swasey Site Walk Minutes for 2/25/2021

Approved Minutes

Present: Dave Short, Mark W. Damsell, Dwane Staples

The meeting was opened by Chair Staples at 1:07pm

The Trustees spoke about the need to replace the Tardiff bench and Chair Staples told the Trustees that he had reached out to the Selectboard to try to get an answer as to how to pay for this from which account. The bench has to be paid for when it is ordered and the cost of the bench and the plaques is \$1,455.00. Chair Staples will keep following up on this.

The three tree pricing proposals were reviewed and Piscataqua Tree was the lower of the three so a motion was made by Chair Staples and seconded by Mr. Short to award Piscataqua Tree Service the tree removal project.

Chair Staples thanked Mr. Damsell for his six years of service to the Parkway as a trustee as he told us he would not be running for another term. His dedication to the Parkway is unmatched and he asked if he could still volunteer and was told that he absolutely could and it would be welcomed if he did.

A motion to adjourn was made by Chair Staples and seconded by Mr. Short. The vote passed unanimously.

Adjourn at 1:40pm
