

Town of Exeter

Swasey Site Walk Minutes of 3/28/2021

Approved Minutes

Present: Dave Short, Darius Thompson, Dwane Staples

The meeting was opened at 1:00pm for the purpose of an emergency meeting due to damage to a tree along the fence behind the Harris Center of PEA. The damage was done by a Pileated woodpecker. The bird had hollowed out two sides of the tree more than half way thru the tree on opposite sides. Chair Staples had been contacted by Ron Johnson from PEA and had looked at the damage and decided to call the meeting. It was decided that Mr. Short would contact Jay Perkins and see if the tree company that did work for the town could remove this tree on Monday. Chair Staples would contact Piscataqua Tree Service to see if they could remove it on Monday since they were scheduled to remove other trees this week. It was decided that whoever got back to the Trustee first would get the removal job of this tree.

Mr. Thompson did video this meeting on his phone to put on the Exeter web page.

A motion was made by Mr. Thompson seconded by Mr. Short to adjourn. Passed unanimously

Adjourn at 1:25pm
