Swasey Site Walk Minutes of 4/28/2021

Approved Minutes

Present: Dave Short, Darius Thompson, Dwane Staples, Mark W. Damsell

The meeting was opened at 6:00pm for the purpose of waking the Parkway to give the new Trustee Mr. Thompson insight on what the Trustees had been doing and some history of the Parkway. We started at the Water Street entrance and spoke on the placement of the proposed pocket park. We then proceeded thru the Parkway and looked at the bushes that are pruned and when at the pavilion spoke on the roof needing repair and the pillars needing repair. We also looked at the green space across from the pavilion and noted that it needs some renovation and that we had tree taken down in this area. We then walked to the Newfields road end where Mr. Damsell talked about the rock that was placed there and the engraving on the rock. Mr. Damsell also asked if he could install a planting around the rock and make it into a bed with drought tolerant plants. A motion was made by Chair Staples to allow Mr. Damsell to install a planting bed and plants around the rock. Seconded by Mr. Short and the motion passed unanimously. A motion to adjourn was made by Chair Staples and seconded by Mr. Thompson and passed unanimously.

Adjourn at 7:00 pm
