4. Parkway Maintenance contract bids for 2025

Chair Staples unsealed and read the two bids submitted for the mowing, spring and fall cleanup in the Parkway for 2025. The first bid was from the current contractor, All Natural Landscaping who bid \$500/mow & pruning and \$1,650 for spring clean up and \$2,885 for fall clean up. The second bid was from Down to Earth Landscaping for \$515 for mowing and \$1,036 for spring clean up and \$2,275 for fall clean up.

Chair Staples noted that Jonathan had experience dealing with the debris that comes through the fence at higher tides. Mr. Short noted that he treated them very well the past five years.

Mr. Thompson asked about splitting the mowing and clean up and Chair Staples explained there is some overlap with those and if the contractor is not doing the clean up he is less concerned.
